

Quality Policy & Objectives

Quality Policy

Dialight is committed to meeting customer requirements in product Quality, Performance and Reliability.

We achieve this through our people engagement and continuous process improvement combined with preventive and risk mitigation strategies

Quality Objectives

- Defect Free Products
- On Time Deliveries
- Total Customer Satisfaction

Environmental, Health and Safety Policy

Environmental, Health and Safety Policy

Dialight is fully committed to ensuring a safe and healthy work environment for our associates, visitors and contractors. We continuously work to improve our EHS management system, providing comprehensive training assuring participation and consultation for our associates and eliminating potential risks and hazards to prevent work related injury and ill health.

As good stewards of the Environment, we fulfill all local, state and federal regulatory guidelines; promoting waste minimization and energy conservation through reduce, reuse and recycle programs.

Environmental, Health and Safety Objectives

- Zero loss time accidents goals
- Reduce our energy footprint by 1% per year
- Reduce universal (Landfill) waste by 1% per year
