SAFESITE ATEX HIGH BAY

The Dialight SafeSite® LED High Bay now boasts higher efficiency and DALI compatibility. These advanced features enhance the versatility of the popular SafeSite® LED High Bay, designed for indoor/outdoor hazardous areas. With its low profile, lightweight design, and versatile mounting options, it's the perfect solution for High Bay applications in ATEX and IECEx classified zones. For more information on this and other industrial-grade Dialight lighting products, visit www.dialight.com.
